

This short course dwells on the means of international law-making (treaties, customary international law, unilateral acts, general principles of law etc.). In other words, the course looks at the sources from which public international law rules stem and at the entities that are empowered with the capacity of law-making in the international legal order. It aims at enabling participants to develop a global perception of the international normative system.

ONLINE

This is an online short course

AUDIENCE

This short course forms part of the Geneva Academy Executive Master in International Law in Armed Conflict. It is open to professionals – diplomats, lawyers, legal advisers, judges, NGO staff, human rights advocates, media specialists, professionals working in emergency situations, UN staff and staff from other international organizations – who are not enrolled in the Executive Master and who want to deepen their expertise in this specific issue.

CERTIFICATE

Participants obtain a certificate at the end of the course (no ECTS credits are gained).
